

Voice Tools Examples Becoming a Webhead 2009, Week 4

1. ChinSwing <http://tinyurl.com/99t5qz>

Go to this site to hear short messages from José Antônio, Dennis, and Teresa. To listen, click on **Play** under the first message; the others will then play automatically. To reply, click on **RECORD a message**. You will have to register with ChinSwing before you can record your reply.
2. Vaestro <http://www.vaestro.com/c/BaW09Week4/forum/General-Discussion/topics#>

This message might be easier to access if you use the link posted to our Yahoo Group in message #1086 (“Link shared by dennis.oliver@cox.net”). Try the link first before you try the URL given above.

After you reach the message at Vaestro, you may have to click on **Speaking, Listening, Both, or Something Else?** After the discussion window opens (sometimes it’s slow) and you hear the message, click on the arrow pointing to the left (under the description and to the right of **Dennis_Phoenix**) to record your response. You will need to register before you can record.
3. Utterli <http://www.utterli.com/u/utt/u-ODEzMDYyMw>

Click on the white triangle under **WELCOME!** to hear the message. To record your response to the message, click on **Reply**. You will have to register with Utterli before you can record your reply.
4. VoiceThread <http://voicethread.com/share/327941/>

Read and listen to the directions; the audio will start automatically. After you have heard the message, click on **comment** to reply. You will have to register with VoiceThread before you can record your response.
5. YackPack
You have to be invited and registered to be able to use YackPack. For an invitation, send your e-mail address to dennis.oliver@cox.net .
